# Dr. Bob's Home

## Founder's Day June 6, 7, 8, 08

### Experience the Homecoming

Many members of Alcoholics Anonymous experience a feeling of community, fellowship and belonging whenever they attend an AA meeting. We believe that when Bob and Anne Smith lived here, active alcoholic visitors to this house very likely had those same feelings, and because of that warm welcome, felt the first glimmer of hope for a possible recovery. This is what happened to us when we walked into Dr. Bob's home. We experienced an immediate sense of being a part of something much larger than ourselves; of gratitude for belonging to a group of ordinary people who with the help of a

## Who Was Dr. Bob?

Robert Holbrook Smith was born on August 8th 1879 in St. Johnsbury, Vermont. After graduation from Dartmouth College in 1902, he completed his medical training at Rush Medical School in Chicago. While attending college, he became a steady drinker; a situation that progressed until his recovery. In 1915, some 17 years after he had first met her, he married his high school sweetheart Anne Ripley and brought her to Akron. Even

## Welcome Home!

on how dramatically their lives had changed because of them. It was in this house and surrounding neighborhood where the miracle of recovery began for many hundreds of men

Welcome to Dr. Bob's Home. Many once- hopeless alcoholics, Dr. Bob among them, made their first shaky steps toward recovery in this place. Walking through these rooms, we may reflect on those days in the 1930's and 1940's when the Smiths and their visitors spoke of spiritual matters, and reflected in gratitude,

and women; individuals who went on to spread this welcome message of recovery around the world. Many visitors have spoken of a feeling of oneness with the spirit of AA as soon as they climbed the front steps and crossed the threshold. It is our hope and belief that you will too.

*("Dr. Bob" Continued from page 1)*

though he became a successful surgeon, he continued to struggle with alcoholism.

In 1935 Dr. Bob met Bill Wilson, a New York businessman and entrepreneur who was struggling with his own alcoholism. The two immediately became close friends, with Bill showing Dr. Bob how he, Bill, with spiritual help, was finally able to recover from the effects of alcoholism. Dr. Bob had his last drink on June 10, 1935, and that is considered to be

the founding date of Alcoholics Anonymous. In 1939 the book, *Alcoholics Anonymous*, written by Bill Wilson, Dr. Bob and other early members of our fellowship was published, and the fellowship that came to be known as Alcoholics Anonymous was born. Dr. Bob was called the "Prince of Twelfth Steppers" by Bill Wilson because he personally treated more than 5000 alcoholics without charge. Also, it was in Dr. Bob's home that some of the basic ideas essential to the A.A. way of life were developed. Dr. Bob always said that A.A.'s fundamental ideas came from the study of the Bible and that he personally did not write or have anything to do with the later writing of the 12 Steps. In Dr. Bob's mind, the Steps in their deepest essence simply mean "love and service."

Dr. Bob died on November 16, 1950 in Akron, Ohio after 15 years of uninterrupted sobriety. Ever a self-effacing and humble man, he might be astonished, and we feel very pleased, to realize that Alcoholics Anonymous has become a world-wide organization that continues to help so many helpless alcoholics begin and continue along the Road of Happy Destiny.

## Gate Lodge's place in history marked during Founders' Day June 6, 7, 8, 2008

*The Gate Lodge, located next to Stan Hywet's front gate, was the site of the first meeting of the founders of Alcoholics Anonymous. Photo courtesy of Stan Hywet Hall & Gardens*

In 1935, a meeting was held at the Gate Lodge that is now deemed one of the most significant events in modern history.

F.A. and Gertrude Seiberling's plan for a country house estate came to fruition in 1912. It included several service buildings to support the operation of the property, complete with a Gate Lodge for the estate's superintendent. By 1923, this small, three-bedroom house would become the home of their eldest son, Fred, his wife Henrietta, and their three children. It would eventually become the setting for a world-changing conversation.

Henrietta's involvement with the Oxford Group, a religious fellowship movement, confirmed her belief that ordinary people had the power to change their lives. On Mother's Day 1935, through mutual friendships, she brought together Mr. Bill Wilson and Dr. Bob Smith, both admitted alcoholics. Their discussion resulted in identifying the principles that were to become the cornerstone of Alcoholics Anonymous.

To commemorate this important meeting, the Gate Lodge now hosts a special exhibit celebrating and recounting this historic event. The legacy of the Gate Lodge extends beyond its historic significance, and is a never-ending source of inspiration for millions of people.

For more information on "The Gate Lodge" visit the website at [www.stanhywet.org](http://www.stanhywet.org)

When Bill W., sober only a few months, was in Akron for a business deal in 1935, he stayed in the Mayflower Hotel. The business deal fell through and on Mothers Day weekend Bill, down to his last ten dollars, was pacing the lobby, listening to the sounds of merriment from the hotel's bar. Remembering that working with other alcoholics had helped him to stay sober, he went to the pay phone in the lobby and called a local clergyman, Reverend Tunks, to try to find a local alcoholic he could talk with. This phone call led to his meeting with Dr. Bob and the beginnings of Alcoholics Anonymous.

The Mayflower is now an assisted living facility and is not generally open to the public, but does welcome A.A. visitors to see the replica of the [1935 telephone and Church Directory](#) now in the restored lobby. At the security gate inside the front door, buzz the intercom and tell the guard you're a friend of Bill W. to gain entrance.

### ***Why an Alcoholics Anonymous Archives?***

There is both a need and an obligation to save the history of our Fellowship. The existing correspondence, records, photographs, newspaper and magazine articles must be collected and preserved for present and future generations.

## A.A. DOES NOT HAVE CLUBS!

A.A. neither endorses nor opposes such clubs. These are social clubs established by groups or individuals who are themselves recovering alcoholics. The A.A. group meeting at the club is available to any alcoholic - club member or not. The group is separate from the club and pays a fair rent for the use of the club facilities. Even though the group meets in a club that may be composed exclusively of A.A. members, and many members of the group may be club members, too, the relationship of the A.A. group itself to the club should be the same as it would be to a church, hospital, school, etc., in which it might rent space for its meetings.
