## Dr Bob's and Anne's Home in Akron, Ohio

Dr. Bob's home itself is a modest home that cost Dr. Bob \$4,000 in 1916. It was bought for \$38,000 in 1984 and restored to its original condition for another \$100,000.

The son and daughter of Dr. Bob personally redesigned the home to look as they remembered from their childhood. Much furniture is original, passed on from the children.

# Stan Hywet Hall

## Stan Hywet Hall (SEIBERLING HOUSE)

F.A. Seiberling and his wife, Gertrude had six children, although most of them were grown when they built Stan Hywet Hall.

Mostly, it was the grandchildren who enjoyed the many attractions of the estate. The Seiberling's eldest son, John Frederick (later a US Congressman) and his wife, Henrietta lived at the Gate House.

It was here that Henrietta introduced Bill W. and Dr. Bob Smith and encouraged them in their efforts to help alcoholics, a group that became A.A.

*("Home" Continued from page 1)*

The table in the living room is the original table on which the manuscript for AA was written.

Dr. Bob's Home is where it all began; where Dr. Bob and Bill W. helped alcoholics one person at a time. Over 300 alcoholics sobered up and received treatment from Dr. Bob and Bill W. in Dr. Bob's Home.

Today the house is completely restored and welcomes visitors free of charge. Visitors can walk through the very rooms in which those early AA members stayed. You can also watch a half-hour video on how Alcoholics Anonymous was started

and browse through the photo archives of people that have been helped by the program. Tours are free and offered daily to the public; group tours are available by reservation.

The "Clubs" listed here are not A.A. Clubs. **A.A. DOES NOT HAVE CLUBS!** A.A. neither endorses nor opposes such clubs. These are social clubs established by groups or individuals who are themselves recovering alcoholics. The A.A. group meeting at the club is available to any alcoholic - club member or not. The group is separate from the club and pays a fair rent for the use of the club facilities. Even though the group meets in a club that may be composed exclusively of A.A. members, and many members of the group may be club members, too, the relationship of the A.A. group itself to the club should be the same as it would be to a church, hospital, school, etc., in which it might rent space for its meetings.
