As the Year Comes to a Close, Please Remember Your Central Office

Dear Friends in A.A.,

As another year draws to a close, we take a moment to reflect on the many ways Alcoholics Anonymous continues to carry its message of hope and recovery to those who still suffer from alcoholism. Here in the Milwaukee area, your Central Office plays an important part in making that possible.

Throughout the year, the Milwaukee AA Central Office helps connect people with A.A. meetings, provides A.A. literature and recovery resources, supports local groups, and helps newcomers find their way to the fellowship. We also maintain information on hundreds of local meetings, helping ensure that someone looking for a meeting can find a place to turn.

These services don't happen on their own. They depend on the generosity and support of the A.A. community we serve.

As you consider your year-end charitable contributions, please remember your Milwaukee AA Central Office. We are a registered 501(c)(3) tax-exempt charitable organization, and eligible contributions may be tax-deductible to the extent permitted by law.

A year-end contribution, whether large or small, helps us continue providing the services, resources, and support that keep our local A.A. community connected and accessible. Your generosity helps ensure that the hand of A.A. remains available to the person who reaches out for help tomorrow, next month, or next year.

If you have been considering making a contribution, we invite you to include the Milwaukee AA Central Office in your year-end giving. Your support makes a real difference in our ability to continue serving the fellowship and carrying the message of recovery.

Thank you for your continued support, your generosity, and the opportunity to be of service.

With gratitude and in fellowship,

Milwaukee AA Central Office
