Hello Area 75,
Sherrie, our ECR Trustee just returned from a board week and brought some updates...

The electronic version of the 76th (2026) GSC Final Report is scheduled to be available for free download by the end of August or early September. It's going to be 'print ready' for printing sections or the entire volume. Hard copies are probably going to be available in October. It's going to sell for \$5.00 per copy, a bit less than expected. I will forward a link when I get it.

The latest update on release date for the 5th Edition of the Big Book, Alcoholics Anonymous, is February 2027. A little later than we had hoped, yet it's well under a year from approval to release... Kudos to AAWS and the Publishing Department.

Last, but certainly not least: The Plain Language Big Book is available as an audio download in the A.A. Online Bookstore. A great step to further the accessibility of our great message of hope! Maybe a companion for your daily commute?

I will try to keep you up to date as I receive news....

In Service,
Bob Scovill
